Swap Meet planning begins, activities calendar fills up

By Robin Will

Cascade Pacific Plymouth Club will be off and running on 2013 activities before this newsletter hits your mailbox.

The Board met in December, and semi-finalized a list of suggested activities for the new year. The list begins on page 7, but there was too much to get on one page! The remainder will be published in February's newsletter, and the entire list appears on Cascade-PacificPlymouth.org, where we don't need to pay for paper and ink.

The Technical Committee is meeting for the first time on January 19, getting serious about the Swap Meet that's happening in April. They'll be sorting, cleaning, tagging, and figuring out how to display their inventory to best advantage. They'll also be deep-sixing some of the items that haven't sold in years past.

If you have items to donate or consign to the Swap Meet, contact Chuck Willis or Gary Rusher

While the rest of us were hanging out and chatting at the Holiday Potluck, Mike Bade was circulating with his camera. Here are some of his pictures.

Note from the Dixons

Thanks so much to our CPPC friends for your cards and calls during our recent "not a heart attack" with Jerry. We truly appreciate all your caring and concern.

Sincerely Joanne & Jerry

Dues are Due!

CPPC's dues are for the calendar year. Remember that we just voted to increase dues to \$25 per family per year. Avoid lots of tedious reminders, and plan to pay your club dues at the January meeting!

Treasurer Dolores Call's report was approved.

Membership: Bob noted that Jerry Dixon went to the hospital unexpectedly today and had surgery to unclog an artery.

Donna Bade sent a card around for people to sign. A Christmas card was sent around for Retha Harden.

Due to the adoption of a two-year term for officers, retroactive to the beginning of 2011, all elected officers will serve for another year. Mike Bade circulated a copy of bylaw amendments which reflect this change.

The Steering Column, A Message from the President

Over the past few months there has been a number of our CPPC friends who have been under the weather, myself included. The myriad of cards and well wishes I received from the membership have been very much appreciated. I am sure others who have been ill have experienced the same show of concern.

It is uplifting and encouraging knowing that there are those who care about you. I take liberty, in behalf of all those who have been ill recently, in thanking club members for their concern for us.

Our activity committee has been working hard selecting events and tours for this coming year. So far there are 10 events selected as club partici-

From Jeanette Dimick

Members, as you know, you did a fantastic job collecting clothing and monetary donations

for the Downtown Chapel, homeless shelter aka Saint Andre Bessette Catholic Church.

I purchased many packages of mens personal clothing along with the jackets, shirts, jeans,

socks, etc. that were brought to our meetings. We can continue this, anytime you have an

item of clothing to share, I will deliver. This is the note we received from DC:

"thank you so much for your generosity in supporting our mission of providing hope, healing

and hospitality in the Old Town community. Your donations allow us to provide vital

assistance to all those in need. Thank you so much."

Also, they invite all their supporters to get to know the staff and programs better through an

Experiential Tour of the facility (503-228-0074x117 to schedule a visit).

Any questions call or email me, Jeanette Dimick. Thanks, you're the greatest.

pation events for 2013, whereas there were 12 selected for 2012. There may be more depending upon member interest in some of the available shows and events. CPPC has attended most of the events selected for 2013 as club events in years past. Some of them are new to our club event list such as the Hazel Dell Armed Forces Day Parade. Many members have attended the Woodburn Tulip Festival in the past. This year it has been scheduled as a club event as has the Model 'A' picnic at Fletcher Anderson's. The Dixons have been working with the organizers of the Hazel Dell event and find that the organizers are looking for vehicles that are relevant to CPPC member's cars such as military cars and convertibles. The only scheduled club event before April is the preparation of swap meet items on January 19th at Gary Rushers. If you have items to donate please bring them at that time. April will be a busy month with the Portland Swap meet, the POC Nationals, Tulip Festival, and Oregon City Cruise In. As yet, I haven't heard much talk among CPPC members about plans to travel to Tucson. If anyone is interested, please let's get organized. Mike Bade and others have been working hard on the CPPC calendar and they should be available at this month's general meeting. Once again members are encouraged to be

Remembering CPPC member Chuck Hamaker

When we first started the Plymouth Club - Chuck Hamaker, a Seattle member was behind us from the start, a Plymouth guy whom loved 39's. His large double garage showed of his vast Plymouth part inventory. His buddy Neil Riddle Ms. Plymouth and Chuck really helped us when Chuck Passed away recently his wife Susie in sending me a thank you card noted 'next to God family' Plymouth cars come next. What a nice compliment for us to live up to.

tour leaders on any of the club or any other event they may be interested in. Overall 2013 looks to be a fun season of cruising.

A number of members appear to prefer working on their cars by themselves instead of asking the Tech Committee for help. There is nothing wrong with that and in the past I have felt the same way. However, I am learning that there is a lot of great knowledge and ability lurking in all of us that can be put to our advantage when that knowledge is brought together at one time. I would like to know what you are doing on your car and I imagine other members would to. One way we can find out what you're doing is through the Tech Committee. The Committee has time allotted during the meeting to give reports about the progress of member's cars. Members are encouraged to make use of this time and let the membership in on what you are doing. Wishing you all a very Happy New Year!

Happy touring,
Bob Westphal

John Nicklaw makes progress on his 1935 Plymouth PJ

HERE'S A LOOK at what's happening up in Bend, in John Nicklaw's shop: the 1935 Plymouth PJ sedan is wearing fresh paint, and the fenders (below) look like they're just about ready to go back on the car. Thanks to John for sharing the pics with his fellow CPPC members.

Chuck and Allen are looking for a book ...

Chuck Willis is looking for a 1937 Chrysler Master Parts list.

He's doing something-or-other with Allen Tiffany's 1937 Chrysler Convertible Sedan, and he can't find a part that he needs.

Chuck would settle for a look at the book, but if somebody has one for sale, he'll gladly purchase it, and keep it for reference.

If you have a 1937 Chrysler Master Parts list gathering dust, or know of somebody who might have one, please give either Chuck or Allen a call.

Bodyshop & Repairs

Other than a good share of the population that acquired the norovirus, the news has vastly improved for our CPPC members this month.

Sharon Tiffany just completed her final third chemo treatment and is doing much better, now it's getting over the affects of the chemo and finding a compatible Parkinson medication.

Marcia Wessitsh was walking without a walker on Saturday, for the first day since September 21st. Hope to see George and Marcia soon. They're going to take a two week cruise to Hawaii the middle of February.

Gary Rusher was going in for his final physical therapy when we talked. He reported that both he and Vera were doing quite well.

Good reports from/about Bob & Yvonne Westphal, Pat & Patty Brost, Dave Williams, Virginia Dunn.

Don Hufschmid and Cari Catlow are both dealing with some serious dental surgery, they can both use some support and kind words.

As always, your support and prayers are appreciated by everyone in need. You are all great friends.

Keep me informed – it helps to have friendly support when we need it!

Board cooks up great big Activities List for 2013

By Robin Will

This year's Activities List is too big to get on one newsletter page. No kidding. We're printing enough of a list to get everybody started, and the balance will appear in next month's newsletter. Invest in some extra refrigerator magnets, and make room for *two pages* of great car activities in 2013. (If the front of your fridge is full, you can find this list on www.CascadePacificPlymouth.org.)

In the long run, we're hoping this makes things simpler: the likeliest local activities will be all on one list. Last year, we heard comments like, "I wish I had known there was a Swap Meet in _____ (fill in the blank)." Now you'll know: we have included events within driving distance for almost every weekend between now and Thanksgiving. We'll refresh and expand on the list in every newsletter, and on the website, as more information becomes available.

The Board discussed these choices at length. Some of the events are those which we enjoyed in the past. Some of them are new, to our club at least, but look like they'll be great club events. We listed some events that should appeal to the hot-rod and performance members of our club, and those who love the Mopar-only events. *Some events are on the list just because the Board hopes members will show up there, and spread the word about Cascade Pacific Plymouth Club.*

An underline means that the event will be an official club function. Volunteers are needed to host these events. *Hosting* generally means circulating a sign-up sheet, driving the route in advance to locate attractive stopping places, choosing a gathering place, and showing up with donuts and coffee (the club reimburses) on the morning of the tour. The host might have other responsibilities, depending on the nature of the tour. It's not difficult, other club members will help you, and it makes you feel good to see the members and their cars on the road as a club.
