Full-tilt toward Independence: July meeting wraps up planning

The July 23 CPPC membership meeting is the last time we'll gather as a club before we put on yet another great cruise-in and show in Independence.

There will be no guest speaker at the meeting, so we can wrap up the final plans for this event.

It's our club's main fundraiser of the year, and aside from the money we hope to make, our name and reputation are on the line.

The Central Lions Club has been organizing on their end, and an intrepid group of CPPC members has been meeting with them regularly ... making lists, checking them twice.

Gary Rusher will be circulating sign-up sheets for the cruise-in work that still needs commitments.

Club members have been working hard lining up sponsorships, auction items, and gifts for goodie-bags, and that work will go on until the eve of the show.

Members who don't plan to attend can still help publicize the event through their Facebook pages and emails to friends in the hobby.

THE POSTER CARS, parked in front of last year's cruise-in, were chosen for a reason – we'll have special categories to celebrate the 75th anniversary of the 1938 models, and the 50th anniversary of the 1963s. That's D.J. Freeman's 1938 coupe on the left; a 1938 Chevy, owner unknown; Benfields' 1963 Valiant convertible, plus another 1938 Plymouth on the right. CPPC is hoping that members will help publicize the event through social media and their personal email networks.

Arlene J. Petersen

Nov. 1940 – February, 2013

CPPC learned only early in July of the passing of long-time club member Arlene Petersen, of Lake Tapps, WA, on February 15, 2013.

Services were held in Sumner, WA, on February 27.

She is survived by her husband, Gerry, three children, and four grandchildren.

The family requested memorial donations to Good Samaritan Foundation, Sumner Community Fod bank, or Tacoma-Pierce County Chaplaincy.

It's helpful when members register in advance

Jeanette Dimick, who is managing the registration chores for our August 17 cruise-in, sends a reminder that advance registration is a good idea.

"Need your Registration forms and \$20 before the day if possible.

That will help us be organized to better serve you.

If you need a form, please let me know. bjdimick@q.com

360-885-1113 Thanks, and see you there!"

The Steering Column, A Message from the President

July is vacation and car event time and it is disappearing fast. Yvonne and

I just arrived home from a great week camping in our new travel trailer at Fort Stevens. The Independence Cruisin is about four weeks away.

The Cruisin committee is busy making last minute preparations. Joanne Dixon and others have

been busy collecting items for the raffles and goody bags. There are still a few positions open on the work sign-up sheet. Contact Gary Rusher if you would like to help. So far this season there has been a number of shows with only a few various members attending each event. However, the tours to garages and etc. seem to attract more interest with 23 in attendance with 12 old cars, including visitor's cars, at the

Wilsonville garage tour. The board is looking into having possibly one tour a month during the season in an effort to get more old cars out on the road. The up-coming tour to Tillamook with the Studebaker Club on August 3rd sounds like loads of fun. Once again call on the Tech committee if you need help getting your car on the road.

Happy Touring
Bob Westphal

BELOW: Robin Will was out at Beaches PIR on July 3, spreading flyers for the Independence Cruise-In, when he came upon one of the nicest 1956 Plymouth Belvederes he has seen in a long time, in the ubiquitous light blue and white that seem to have been the most popular colors of '56. The car was polished to the point that it almost glowed in its spot on the shady side of the field. If the car looked familiar, there was good reason: it belongs to CPPC member Tom Shepherd, and is driven regularly to club meetings!

28 members, 1 guest turn out for 3-stop garage tour

Gary Rusher set up a June 29 tour of three garages in the Wilsonville area that the club had never seen before.

The full account, and plenty of pictures, are on CascadePacificPlymouth.org

Jim Yeager and George Andrew were the first stops. Jim has the '59 Ford Retractable Hard Top, shown here in its bubble. At George's place, the stand-out was probably the fully restored 1937 Pierce Arrow sedan (serial number 1) that was used as a show car around the country in 1936 with its last stop in Portland, and has only 37,000 miles on it.

Lunch was in Wilsonville, followed by a 3-mile drive to Bill Morgan's house, where we saw a couple of Model Ts, and Janette Morgan's 1957 T-Bird. After enjoying some good social time and some of Janette's frosted pumpkin bars the group was free to go on their way.

Mike Bade was on the job, taking pictures, at the 3-Garage Tour on June 29, and members may see all of them – plus Gary's entire article – on CascadePacificPlymouth.org. Some highlights: above, left, every tour starts with coffee & donuts. Above right: once you get it clean, keep it clean! This '59 Ford Retractable lives in a bubble. Below, left: you don't see a 1937 Pierce Arrow every day. Host George Andrews and spouse pose beside the '37, which bears Serial Number 1.

Minutes, continued from page 2

He will promote the Independence Car Show from now until the day of the Show. Members can circulate flyers at car events.

Other: In response to a question, yes, members may advertise on Cas-

cadePacificPlymouth.org.

Mike Bade mentioned that there is a 1934 Plymouth for sale in Roseburg. Call him if you want details.

Bob Westphal thanked Philiss VanCoelen for finding the door prizes each month and sending out cards to members who need cheering up.

Door Prize winners: Jeanne Mowery, Mindy Benfield, and Mike Bade

Raffle: Winners: Jeanne Mowery, Mindy Benfield, and Mike Bade

50/50: Joanne Dixon won \$25.00 share returned the money to the club.

The meeting was adjourned at 8:46 p.m.

Brakes bled but still feel spongy?

By Robin Will

Sometimes, Chuck Willis says, your old Plymouth's drum brakes won't feel quite right, even though the hydraulics have been bled correctly.

That might be because the arc of the brake shoes doesn't match the arc of the drum, and the shoes are flexing.

Four separate adjustments – per brake shoe – will fix the problem.

We're hoping for a how-to article about this common situation, but Chuck says he would much rather do the job for members, than explain how to do it for an article.

There's a special tool for the job, and Chuch has it. Give him a call if your Plymouth's brakes need attention.

NUTS & BOLTS: Board meeting highlights

*Condensed from minutes taken
by Joanne Dixon*

The Board of Directors of Cascade Pacific Plymouth® Clubmet July 9, 2013 at approximately 12:24 p.m. at Bill's Place, 16111 SE 106th Ave, Clackamas, OR 97015.

Present at the meeting were the following Board Members: Mike Bade, Joanne Dixon; Jerry Dixon, Robin Will, and Dolores Call. Guests included Bill Call and Chuck Willis. Joanne Dixon recorded the minutes.

The meeting was called to order by Mike Bade.

Dolores Call's treasurer's report was accepted as submitted.

- Old Business: On the question of listing all members' cars in the roster, rather than only Plymouths, it was decided that Rule 4.2 of the bylaws does not need to be reworded to allow all classics in the roster of members cars.

- Mike Bade reported that he, Gary Rusher and Chuck Willis attended the meeting with the Independence city officials and that rest rooms and dumpsters will be taken care of.

- The board discussed the possibility of taking pictures of attendees cars at the show, with various Photoshopped backdrops, as a way to raise additional money.

- Mike brought two vinyl banners that could be used on the roads coming into Independence and also downtown near the show.

- Guest Speaker: No speaker is scheduled for the July membership meeting as Gary Rusher will be reviewing the Indendence Show and passing signup sheets.

- Past Activities: The June 29th garage tour drew lots of members (article, page 4). Seven members drove to the Camas First Friday event on July 5th, but were not allowed into the show because of an unadvertised pre-registered cars only change.

- Upcoming Activities: July 20th is Roberson's All Mopar Show in Salem, we have two signed up and no Host. July 21st is the Mopar Nationals at the Woodburn Dragstrip, Dave Benfield and Lloyd Schulz are hosts, and there are two signups. July 27 & 28, and Aug 3 & 4, is the Brooks Steamup. Jerry Dixon will check to see if the WPC has made reservations for this year, and what date. We currently have one signup, Jerry will see if we can join the WPC group. Aug 3rd is the Studebaker joint tour to the Tillamook Air and Auto Museum, Bruce Kerslake has signed up as the CPPC host. Jerry Dixon observed

- Website: Joanne suggested that we again develop a list of all member cars by year as was done in 2007. Robin will contact Larry Catt, who put together the 2007 list, and see what needs to be done to update for a 2013 list.

- Newsletter: Good-of-the-order ads from individuals will be accepted without charge, run in full on the website, and printed on a space-available basis in the newsletter. Other advertising will be at the discretion of the editor.

- New Business: Robin will research the possibility of emailing birthday cards to all members with an email address. Mike Bade will coordinate with Robin on the current list of members. The next meeting with the Central Lions Club will be July 23rd at 11:30 AM, at the Denny's in Woodburn. Jerry Dixon asked about publishing a new vendors list, it has not been updated since 2008. And the possibility of putting our vendor list on the website, it would be cheaper to publish and easier to keep current. The Board agreed that the Vendor List needs to remain on the table for future action. Bill and Dolores Call would like a few minutes at the beginning of the next membership meeting to present the club with a new CPPC U.S. Flag, stand, and storage bag. It was agreed we would start the meeting with their presentation.

The meeting was adjourned at 2:28 p.m.
