## Swap Meet results are okay, group re-organizes for next year

By Robin Will

Club members had a good time at the 2014 Portland Swap Meet, did a lot of networking, and made some new friends.

One new member joined at the show; several members renewed, and we handed about about 100 applications to prospective members. Many people expressed interest – especially from folks who had Plymouth projects underway – so we’ll wait and see how many applications come back.

We made several friends by promising free one-time newsletter ads to anybody looking for Mopar-related items, or having the same for sale (page 7).

Grand total income for the three-day meet was \$483.73, which was down from the \$982.80 we netted last year.

Going farther back in history, it’s not as bad as the \$244 that remained in the till in 2011, but not as good as the \$1000-plus that we saw in earlier years.

Up and down the aisle, the news was similar: sales weren’t all that vendors had hoped for this year.

And rent went up by 25% for next

year’s spaces – from \$60 to \$75.

As a result, CPPC has regrouped and re-strategized somewhat for next year’s event.

Instead of 5 spaces, we’ll be renting four, and Mike Bade had already paid for one of the four for his photography. That serves us well: folks stop to look at Mike’s pictures, and we talk to them about joining the club!

One of the remaining spaces will be devoted to our now-iconic membership tower, and the other two will house a concentrated display of quality Plymouth parts.

We sorted inventory one more time at the end of the meet as we took down the booth. One stack of unidentifiable or unimpressive stuff went straight to recycling. A second pile was reserved for “pretty good” stuff that a couple of Tech Committee members will try to sell for the club on craigslist or EBay.

*Allen Tiffany greets the crowds at Portland Swap Meet, while Gary Rusher helps a potential customer. Interest was high, questions from Plymouth owners and restorers were myriad, and sales of CPPC’s goods were not overwhelming.*

The third pile will be cleaned up and prepared for sale in next year’s booth.

CPPC thanks all of the members who worked in the Swap Meet booth this year.

## Parade of Bands marks Armed Forces Day, May 17

The next hosted activity on CPPC’s calendar isn’t strictly a car event at all – it’s the Hazel Dell Parade of Bands, commemorating Armed Forces Day.

For 50 years running, the little town of Hazel Dell, just north of Vancouver, WA, has hosted this patriotic event, which, as one of the residents noted, “puts the unity in community.”

So far 23 bands have signed up to participate, and one of the highlights appears to be the Alumni Band, featuring anyone who ever participated in this parade and wants to do it again!

It wouldn’t be a parade without old cars, and Joanne and Jerry Dixon suggested this activity to CPPC last year as a way to have some fun, show some

patriotism, and show off our cars and our club to the community.

Patriotic decorations are welcomed but not required. The theme of this year’s event is “Superheroes,” but costumes aren’t required, either – just show up, share in the fun, and drive in the parade.

Joanne has already paid the club’s entry fee, and any number of cars may participate.

Jerry and Joanne will be announcing the gathering time and place and other particulars at the April membership meeting, and it will be repeated in an email blast before the event takes place.

# The Steering Column, A Message from the President

CPPC's first fund raiser of the year, The Portland Swap Meet, was somewhat of a success in that the club coffers are over \$400 to the good. The booth costs are 25% higher for 2015. The Board of Directors plans to modify plans for next year's Swap Meet due to the uninspiring success this year and the increased cost. On another not too inspiring note;

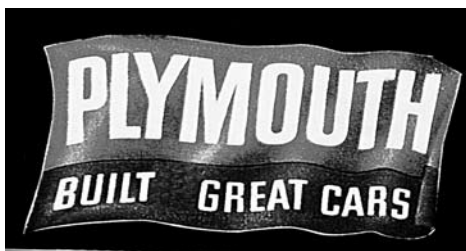

## Portland Transmission & Papa's Toys – Saturday, May 10th

Two of the Portland area's traditional car events occur each year on the same day, 25 miles apart. Folks who get up early, and hustle can get to both of them.

The Portland Transmission Warehouse is at 1016 SE Hawthorne, and their cruise-in fills up the streets south of Hawthorne and west of SE 11th. This show is famous for starting at the crack of dawn and disbanding by lunchtime. Park wherever you can, and walk the streets until you think you have seen all the cars. Comforts are minimal.

The Papa's Toys show runs from 10AM-3PM at 495 N. Holladay St., in Cornelius. Admission is by [tax-deductible] donation to Doernbecher's Childrens Hospital. An entire former trucking terminal is devoted to the event, which is actually two car shows: inside, John Davis' 180-plus vehicle collection is on display. Outside, where the trucks once parked, the visitors are subject of the show: folks who show up in old cars are invited inside the fence. (Newer cars take their chances with street parking.)

Google "Papa's Toys, Cornelius, Oregon," for directions and more information.

eleven of past CPPC members are not in this year's Club Roster due to various reasons including death. However, there are five new members listed in the 2014 roster making 100 CPPC members. Hopefully, some of our members haven't had a chance to renew their membership as of yet. On to happier things: Spring is here. The flowers and trees are all blooming in their full glory. Spring is also the time to get that old car out of moth balls and on the road. Once again, the CPPC's Tech Committee has a vast wealth of experience and information and is available to help get

your car on the road. Please feel free to give Chuck Willis, or anyone else on the committee listed in the newsletter, a call. CPPC's second tour of the season, to the Woodburn Tulip Festival, was a great success. The tulips were in full bloom as were cars from four different car clubs. I hope to join with many of you on many more tours this year in my P-15 with the new slant six engine thanks to help from the Tech Committee.

Happy Touring  
Bob Westphal

## Portland Swap Meet puts us in touch with Plymouth people

Joanne Dixon promoted CPPC membership, and kept our entire sales force in cookies for the duration of the Swap Meet.

This 1936 Plymouth 4-door sedan appeared to be an amateur restoration in good mechanical shape. It sold before the end of the meet.

The hot-rod P15 was gone before the end of the show, so we assume it sold. The 1934 Plymouth 4-door barn find (below) was reasonably-priced at \$10,000 in the Expo lot, and it showed up later at PIR for \$14,000. Perhaps it sold again ...

ABOVE Donna Bade took this picture, with (L-R) Mike Bade, an unidentified guest, seldom-seen CPPC member David Pollock (on his annual visit from British Columbia) and Allen Tiffany in front, and Gary Rusher and Robin Will in the back row. BELOW: Left, Jeanette Dimmick represented CPPC in the membership booth, and, right, Tim McCarthy recognized a Ford panel truck that he once owned, so he bought it again.

## Sun eventually shines on four-club outing to Tulip Festival

In the morning of April 12, several club members were wondering if they had dressed warmly enough, but by afternoon we were shedding our jackets and enjoying the sunny day.

Cascade Pacific Plymouth Club teamed up with the Northwest Chapter of the Studebaker Drivers Club, and the Pacific Wonderland Chapter of the WPC Club for this event, and some American Motors drivers also joined us. Jerry and Joanne Dixon hosted the event, and the procession of 18 cars made quite an impression at the gate of the Wooden Shoe Tulip Farm.

Drivers and passengers quickly scattered to stroll through the 40 acres or so of blooming tulips, so a group picture was not possible.

Against all odds, two of the individuals who came over for a closer look were restoring 1967 Plymouth Barracudas, so Jerry Dixon had a lot to talk about, and hopefully CPPC can be of assistance as their projects develop.

*Posed between CPPC's two 1930U coupes are Mike Bade, Gary Rusher, and Preston Rusher, who was riding shotgun with his grandfather on this sunny Saturday.*

*When four car clubs team up (counting the American Motors group), there's a lot of variety in the lineup. From left, a 1951 Plymouth Suburban from the WPC Club, then the two '30U coupes from CPPC, with Mowerys' 1948 P15 and Ealys' 1939 convertible in the background, and at right, the 1966 Plymouth Belvedere that Lorraine Griffey has owned since it was new. Below, left, Westphals' orange P15, on its first club outing since it received its slant-6 transplant, was spectacular against the field of tulips.*

## BODY SHOP & REPAIRS

Please keep Yvonne Westphal updated about club members who need cards, letters, or phone calls. That's ytomblyson@aol.com, or 360-334-6037.

I have not received any news of any breakdowns or other problems so here is the good news:

It was good to see Bruce Kerslake up and running at the Tulip Tour with his 1955 Plymouth.

It was good to see Patty Brost at the last meeting. Her sister is helping her as she recovers from the surgery.

Beth Pierce is doing pretty good. She has 7 treatments left. They have cut back on the dosage but she still gets tired easily.

It was very good to see Nancy and Les Conner out to the last meeting. It has been about a year since they were able to join us at a meeting.

Please let me know if anyone needs cards or phone calls. Thanks, ytomblyson@aol.com 360-334-6037

## NUTS & BOLTS: Board meeting highlights

*Condensed from minutes taken  
by Joanne Dixon*

The Board of Directors of Cascade Pacific Plymouth® Club met April 8, 2014 at approximately 12:30 p.m. at Bill's Place, 16111 SE 106th Ave, Clackamas, OR 97015. Present were Board Members: Mike Bade, Bob Westphal, Joanne Dixon, Randy Ealy, Robin Will, Dennis Mowery and Dolores Call. Guests included Gary Rusher, Jerry Dixon, and Chuck Willis.

Treasurer's Report: Dolores Call's report was approved as submitted.

- Old Business: Dues of 95 members are paid. The next Independence Cruise-in meeting will be Tuesday April 15th, at the Woodburn Denny's. Gary Rusher, Mike Bade, Bob Westphal, Randy Ealy, Chuck Willis, Joanne and Jerry Dixon plan on attending.

- Guest Speaker: Mike Bade will be the April speaker, with his Amelia Island trip pictures.

- Past Activities: Gary Rusher reported on the swap meet results (story, page 1).

- Up Coming Activities: Jerry Dixon reviewed the current calendar of events.

Some members have indicated an interest in going to Portland Transmission/Papa Toy's on May 10th, but so

far no one is willing to host.

The Hazel Dell Parade of Bands is May 17th. The Dixon's will host, but so far we've got only one sign up.

The Fletcher Anderson Party is June 14th, Don and Lorraine are hosting, and have approximately eight sign ups.

- Tech Committee: Now that the Swap meet is over, Chuck Willis will host a Tech Committee meeting at his garage the first Saturday of each month if the group doesn't meet elsewhere. Bob Westphal is getting new bumpers for his '48 plymouth and would like the tech committee to assist with the bracket mods and installation.

Chuck raised the possibility of allowing members to cherry pick Mopar items at any swap meet for the CPPC swap meet inventory. The board liked the idea, but needs to formalize the structure and limits for this process. Randy Ealy reported that he has the CPPC Vendors List loaded and ready for publication following review by Gary Rusher, Chuck Willis, and Jerry Dixon. Jerry Dixon suggested that we look into selling our vendors list at the swap meet, online, etc.

- Other Business: Bill Call and Bob Westphal have compared the CPPC membership to the POC membership
