## Make time on April 4-5-6 for a shift at Portland Swap Meet!

The 2014 Portland Swap Meet is almost upon us.

If you have parts you'd like to donate to the club – or items you'd like to consign – bring them to Tuesday's meeting, or call somebody on the Tech Committee to get them picked up. Gary at 503-939-9320 or Chuck Willis at 503-891-5069 will be glad to help you.

Sign-up sheets will be circulating at the March 25 Membership Meeting, for members willing to spend a 2-hour shift in the CPPC booth, selling stuff or talking to potential new members.

It's always a treat to see who drops by with reminiscences about Plymouths, or questions about cars they're working on. Plus occasionally somebody buys some treasure from the club's stash of donated parts.

The Tech Committee, and all interested comers, will meet at Gary Rusher's place on Saturday March 29th to load all the items for the Swap meet onto the trailer.

Remember Thursday, April 3rd is Set up Day. The club again has 5 spaces at the meet, so we'll be able to spread

stuff out for best visibility.

We usually gain a few new members from the Swap Meet, capturing Plymouth enthusiasts as they wander by.

The Portland Auto Swap meet opens Friday, March 4 from 7:00 am - 7:00 pm, Saturday from 7:00 am - 5:00 pm and half-day Sunday, 8:00 am - 1:00 pm. Admission is \$7.00 per day at the gate

for adults Friday and Saturday, and \$4.00 on Sunday, which is free admission Ladies Day when accompanied by a paying adult. Admission is free for children under 12 all days.

The meet is held at the Portland Metropolitan Exposition Center, 2060 N Marine Drive, Portland OR.

## Tulip Farm is destination for April 12 tour

CPPC is teaming up with the Studebaker Drivers Club and the Pacific Wonderland chapter of the WPC Club on Saturday, April 12, for a drive through the country to the Wooden Shoe Tulip Farm.

It's difficult to think of a more colorful event at any time, anywhere in Oregon, than the spectacle at Wooden Shoe Farm. Expect broad swaths of blooming tulips for a couple of hundred yards in every direction. Usually, we're able to pull our cars between the rows and photograph them amidst the colorful flowers.

Wooden Shoe Tulip Farm has a Woodburn, Oregon, address – although

it's not particularly close to Woodburn. On a roadmap, look south of Canby and east of Woodburn to find the Meridian Road location.

There are food vendors at the farm, so no other lunch stop is being planned.

Jerry Dixon will be passing sign-up sheets at the March 25 meeting, and disclosing the gathering place for the tour. It's important to sign up in advance for this one, because visitors passes need to be obtained from the farm.

Bruce Kerslake took lots of pictures last year, and they may be viewed at [CascadePacificPlymouth.org](http://CascadePacificPlymouth.org), by clicking on the Past Activities tab.

## Website acknowledges Plymouths Clubs' assistance

Both CPPC and the national Plymouth Owners club received gracious mention on a local historical website after helping to identify a "mystery car" last month.

P&C Tools, founded by the Peterson and Carlborg families, manufactured tools locally until 1941, when they were acquired by another company.

J. Johnson, a Carlborg descendant, has created a website documenting the early history of P&C Tools, and appealed for help identifying a com-

pany car.

It was a 1929 Fargo, the light truck Chrysler Corporation produced until it acquired Dodge. The query went nationwide, with Lanny Knutson and Jim Benjaminson chiming in from National, as well as Robin Will and Gary (probably Rusher?) providing input locally. It was generous of J. Johnson to include our club in his acknowledgements on his website.

The site is at <http://peterson-carlborg-tools.trechnus.com>.

## Meeting highlights from February

*Condensed from minutes taken  
by Donna Bade*

Cascade Pacific Plymouth® Club, met on February 25, 2014 at 7:03 p.m. at the Clackamas Community Club at 15711 SE 90th Avenue Clackamas, OR 97015. Bob Westphal, president, presided. Donna Bade took the minutes.

Bill Call led the membership in the Pledge of Allegiance.

Minutes of the January 28, 2014 meeting were approved as published in the newsletter.

Guests: Former CPPC President Scott Farnsworth came to the meeting and everyone was glad to see him. Scott Dunlap was a guest of Lloyd Schultz. There were also a few members who have not attended meetings for a while; Russ Ashley, John Squires, and Phil and Roseanne Hall. We were so glad they could make it to the meeting.

Treasurer's Report: Dolores Call's report was accepted as submitted. Dues are due by March 15, 2014 so names and information can stay in the updated roster.

Activities: March 1 at 10:00, is the first activity for the year at Gary Rusher's, sorting and pricing parts for the upcoming Swap Meet. (Swap Meet story, page 1.) Gary has passes to drive onto the grounds if you have something large to bring.

A tour of 3 classic car dealerships is scheduled for March 15.

April 12 - Wooden Shoe Tulip Festival (article, page 1).

Independence Car Show: Mike Bade has made half-sheet flyers advertising this summer's cruise-in, and also has NCR donation forms, new membership forms and business cards. If any of you need any of these items, please contact Mike or Gary.

Gary also took an informal vote about moving our club's summer cruise-in back to the Oregon City/Clackamas area. their hands in agreement.

Sharon Tiffany offered the use of the Columbia Gorge Interpretive Center's sound system for the Independence Car Show, and suggested we ask Rob Butler to do the announcing at the Car

Show.

Newsletter/Web Site: Gary Rusher reported for Robin Will, who was out sick. There were 10 people who contributed to the January newsletter. There were 688 visits this month on the CPPC web site. Gary Rusher's headlight article still received the most hits! The cruise-in registration form has been uploaded to the web site if anyone would like to print it off.

Tech Committee: The last tech meeting was on February 19, at Allen Tiffany's home. Allen was amazed at how much talent there is in the group of people that went to his home. The guys went through the brakes and carburetor on Allen's '28 Roadster. He drove the car today and it works great. Thanks to everyone who helped with the fix!!

Other: Don Turner donated 19 model cars to sell for the club. Jerry Dixon has sold 6 of the 19 and \$130.00 has gone back in the treasury for the club.

The Tiffany's found 2 calendars from 1949 and 1950 that they brought to share with the members tonight. They were from Sharon's dad who owned Camas Motors.

Birthdays: Bob Westphal announced the March birthdays at the meeting.

Board Report: Mike Bade shared that the treasury is only \$500.00 less than a year ago. Chuck Willis asked Mike, "How many members are in our club this year compared to last?" Mike will check and get back to the membership. Our two big fund raisers will need ev-

# The Steering Column, A Message from the President

Bob Westphal has asked me, your newly elected vice president, to write this month's Steering Column so members could get to know me a little better. Pam and I have been members for approximately 10 years but just recently retired to Dayton from Merlin Oregon, which is just outside of Grants Pass. I was an electrical foreman/project manager for 40 years and helped build hospitals and large schools. Pam worked for Rogue Valley Medical Center in their education and community development departments. We moved to Dayton to be closer to our children and our grandkids and this is working well. Our oldest son, Randy, is the city manager for Beaverton and our youngest son, Sean, is a Principal for R.V.Kuhns Investments. Between them we have 2 beautiful daughters-in-law and five grandkids.

## Skyline Memorial Gardens offers July 5 car event

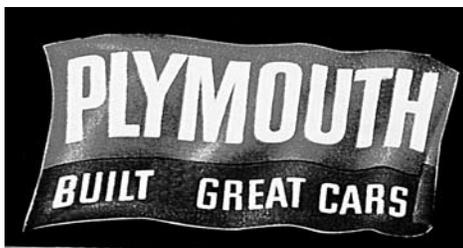

On Saturday, July 5, Skyline Memorial Gardens opens its gates to a multi-purpose fireworks-viewing and car event.

The event will benefit **Legacy Hospice Pet Peace of Mind** and **Missing in America**. The Pet Peace of Mind program works with therapy animals in hospice settings.

The **Missing in America Project** locates, identifies and interments unclaimed cremated remains of American veterans, securing a final resting place for these forgotten heroes.

The event begins at 4:00PM on July 5, with food vendors, music, cars and fireworks.

Info at 503-292-6611.

I purchased a 1939 4 door hump-back Plymouth in the 1980's which Pam named the giant dead cockroach because it sat idle in our garage for many years. Eventually I built a barn for it so it would be out of sight yet give me plenty of room to work on it. Several more idle years passed. Along the way we became members of the national Plymouth Owners Club. Bill Call got our name from there and paid us a visit when he was down in the Grants Pass area. He signed Pam and me up as new members in the Cascade Club. Because of distance and work we did not make many meetings and I still had little time to work on my Plymouth. Bill invited us to see his car collection in Portland when we were up visiting our sons. We saw his 1939 blue convertible

which we were able to purchase from Bill a couple years later.

Now that we are closer to Portland and retired we are getting more involved in the Dayton community and the Cascade Plymouth Club. I just didn't realize how fast the leap from member to VP was going to happen. I will say the members and board members are a very special group and have helped me in this transition.

I do have some ideas to bring to the club and as time continues I hope to meet all the members. Please contact Pam and me with any new thoughts and potential new members at pre-aly48@gmail.com or phone us at 503-864-8111.

See you at the next meeting,  
Randy Ealy

## Several Plymouths and lots of fun at Portland Roadster Show

By Robin Will

The Portland Roadster Show was held March 14-15-16 at Portland's Expo Center – an over-the-top expression of our love for the automobile.

There were two CPPC cars at the show (that I recognized anyway – please correct me if I'm wrong, so I can give credit where it's due).

One of them was Mark Childs' 1968 Plymouth Suburban, a car that has been in the club for a while and is now a tailgater with an Oregon State University color scheme.

The other club car was Bill Call's 1942 Plymouth Special Deluxe Business coupe, a rare full-dress car from early in the very short 1942 production run, before chrome and stainless were rationed for the war effort.

There were other Plymouths in the room. Scott Perry's custom 1938 coupe – spectacular in burgundy and taupe – was getting lots of attention. Scott has lots of 1938 parts left over after completing the custom job, and CPPC will be hearing from him when he's ready to sell them off.

We spotted a 1949 Suburban from Keizer – didn't get the owner's name, but he was already familiar with our club. There was a dark blue P-15 club coupe, beautiful but impossible to photograph under the lights, and also a Superbird, one of the wing cars, which was likewise camera-shy.

One of the impressive things at such a high-dollar event was the number of high school and college students who brought cars to the judging. Kudos to the Hot Rod Council for including them.

Both Miss Oregon and Miss Washington were on hand to present Bill Call with his best-of-class trophy for the '42 coupe. Bill didn't seem to mind all of the attention. Below, left: Joe Pongratz and fiancée Jessie used lots of elbow grease getting the coupe detailed. Below right: Scott Perry (Redding, CA) brought a custom '38 Plymouth coupe to the show.

Top: new CPPC member Mark Childs brought his 1968 Plymouth Custom Suburban to the show, decked out in its new orange-and-black color scheme for OSU tailgate events.

## Dealer/shop tour gets CPPC cars & members out in the sunshine

It doesn't always happen this way in March, but the sun came out – and stayed out – for the first CPPC activity of the year.

Three dealers and a shop were on the agenda for March 15: Juan Ruiz' Affordable Classics in Gladstone, Dale Matthews' Memory Lane, Bad Boy Auto, and North American Muscle Cars.

Four members brought their old cars, and nine more joined up in their daily transportation on this loop through Gladstone and southeast Portland.

Affordable Classics greeted the gang with coffee and donuts, and North American Muscle Cars put out a fine spread of chips, fruit, and cheese and crackers.

And if that wasn't enough, CPPC members ended the day with pizza and conversation at the Red Baron.

Jerry and Joanne Dixon were CPPC's hosts, planning the itinerary and the lunch stop – and arranging for the beautiful weather(!)

*Colleen Miles furnished these pictures of the CPPC group in the sunshine in front of North American Muscle Cars. There's always something interesting to look at in the shop. Outside, the Dixons parked next to another Barracuda. Bob & Yvonne Westphal paused in front of their '48 coupe with the "new" slant-6, and Gary Rusher was barely visible inside his 1930U coupe.*

# MAYFLOWERS

*The Mayflowers' entire purpose is to get out and visit interesting people and places in the Pacific Northwest. Everyone is free to join in.*

### **April 16th – Lavender Bleu Gift Shop & Tea Room**

Reservations have been made and a deposit put down for the Mayflowers to visit the *LAVENDER BLEU GIFT SHOP AND TEA ROOM* on Wednesday, April 16th at 11:00AM. It is necessary to pre-order what type of lunch each of us wants. Please look at the menu online and decide what you will be having. The website is [lavenderbleuonline.com](http://lavenderbleuonline.com). There will be a few menus at the March 25th meeting for those that haven't had a chance to look at the internet.

A \$10 deposit to reserve your space is requested, as the tea room only holds 32 inside and is almost always filled to capacity. The deposit will be put towards your lunch order on April 16th.

Lavender Bleu is located in the historic Willamette Area of West Linn, just off of the I-205 Freeway. They have a High Tea that is every 'bite' as good a La Tea Da in Tillamook especially because it is much closer to home. They also have a wonderful gift shop! There is a quilt store close by and some other cute shops to peruse in the area.

Please make your payment to Mindy Benfield at the March 25th meeting. There will be a sign up sheet and directions at the meeting. You can also mail a check to Mindy, to be received no later than March 31st. Her address is in the roster. The final head count and menu selection needs to be turned in to the Tea Room on April 1st.

## BODY SHOP & REPAIRS

Please keep Yvonne Westphal updated about club members who need cards, letters, or phone calls. That's ytomblison@aol.com, or 360-334-6037.

Good News: Allen & Sharon Tiffany were able to join us on the Antique Cars Tour on Mar 15th.

Bruce Kerslake went into the hospital on Mar 14th for various tests. He is having problems with bleeding from his colon. He should be home soon.

Patty Brost had surgery on her shoulder and it went well. She still has a lot of pain and is not able to use her arm yet. She will be starting physical therapy soon.

Beth Pierce is doing better than most and is able to enjoy eating. Her white count goes up and down. She has 11 more weeks of treatments.

Les Conner has problems with his hip and needs it replaced but the doctors said no.

He is receiving shots to relieve the pain. His right leg is also giving him troubles. However, he was able to drive his truck the other day. Still is using his walker.

Our thoughts & prayers go to all our friends who are having breakdowns & problems.

Card and phone calls are always appreciated. Let me know of any news. Call me at 360-334-6037 or ytomblison@aol.com

## NUTS & BOLTS: Board meeting highlights

*Condensed from minutes taken  
by Joanne Dixon*

The Board of Directors of Cascade Pacific Plymouth® Club met March 11, 2014 at approximately 12:30 p.m. at Bill's Place, 16111 SE 106th Ave, Clackamas, OR 97015. Present at the meeting were the following Board Members: Bob Westphal, Joanne Dixon, Randy Ealy, Robin Will, and Dolores Call. Guests included Gary Rusher, Jerry Dixon, Joe Pongratz, and Chuck Willis. Joanne Dixon recorded the minutes.

The meeting was called to order by Bob Westphal.

Dolores Call's treasurer's report was accepted as submitted.

Old Business: The status of dues payments was reviewed, 31 members are still unpaid. Robin Will has the latest activities schedule updated on the website. Jerry Dixon reported that nine of the Turner model cars have sold, and \$143 has been turned in to Dolores. Jerry will now start listing the remaining cars on Craig's list.

Up Coming Activities: Jerry Dixon

reviewed the current status of the 2014 calendar of events. We currently have nine signups for the Classic Car Dealer tour on March 15th.

Gary Rusher will collect swap meet donations again at the March membership meeting. He will also pass the swap meet duty roster signup sheets. The final swap meet preparation meeting will be at the Rushers March 29th.

The next Independence Cruise-in Meeting with the Lions Club will be Tuesday March 18th, Gary Rusher, Mike Bade, Bob Westphal, Randy Ealy, Chuck Willis, Joanne and Jerry Dixon plan on attending.

Member Care: (story page 6).

Mayflower Committee: The Mayflowers have a tour to the Garten Foundation in Salem on March 19th.

Tech Committee: Chuck Willis and Jerry Dixon are going to Alan Tiffanys on Wednesday, March 19th, to help resolve a couple of brake issues on the 1928 Q.

Membership Committee: Robin

*Closer to home, below, this impeccable 1939 Plymouth Coupe is for sale at Matthews Memory Lane. Bill Call doesn't think he has seen a better one - since 1939! Visit their website for details.*

**NOTE FROM THE EDITOR:** At the Portland Roadster Show, a dozen or so high-school-age people, both boys and girls, were wearing t-shirts identifying themselves as members of the ACE Automobile Club of Echo High School. They hold an annual event in downtown Echo, 191 miles from Clackamas, in the vicinity of Pendleton and Stanfield, to raise funds so their club can attend the Portland Roadster Show each year. They were nice kids, and I told them I'd give them a plug in our newsletter and website.
