We're headed full-tilt for Portland Swap Meet, April 10-11-12

CPPC has two fundraising activities each year, and our booth at Portland Swap Meet is one of them. It's an enormous event – the numbers they quote are 3,500 vendors, and 50,000 visitors, and, playing the percentages, at least some of those visitors are interested in Plymouths! There's nothing like it in terms of getting CPPC out in front of a lot of people, and without fail, we sign up new members at the Swap Meet, and come home with enough cash to make it worthwhile. But it all starts with members donating stuff to sell, and a concerted effort by the club to get the stuff out to Expo and market it.

By Gary Rusher

We have 5 inside spaces in the same location as last year. Those spaces will be set up with the membership booth area on one end, three sales spaces in the center and Mike Bade's photo area on the opposite end. We have new stands for the big Plymouth sign and a new MOPAR sign that will go on each of the back two corners.

For those of you that want to donate items for the club to sell at the Swap Meet, or have consignment items you

want to sell there, here are five ways to get them to the meet.

1. You can take them to Gary Rusher's home at 6125 SW Homesteader Road, in Wilsonville.

2. You can call Gary at 503-939-9320, or Chuck Willis at 503-891-5069 to arrange for the items to be picked up.

3. You can bring them to the meeting January 27th, February 24th or March 24th.

4. You can bring them to Gary's on Saturday April 4th which is the day we will finish pricing items and load the trailer, or

5. You can bring items to the Meet on set-up day, Thursday April 9th.

We will have a meeting at Gary's shop at 9:00 am on April 4th, the Saturday before the meet, for cleaning and pricing items, as well as loading the trailer with goodies.

This year the club is also adding an outside booth area for larger stuff like engines, fenders etc. If you have any of this type of item for the meet contact Chuck Willis at 503-981-5069. Chuck has a covered trailer and can make arrangements to pick up or receive the items.

Move-in day will be Thursday the 9th of April. Those wishing to help will meet at the PI at 10:00am. Contact Gary for passes.

Sign-ups sheets for duty will start being passed around at the January meeting. Duty periods will again be set in two hour blocks.

We hope all of you are able to contribute to the welfare of the club by being involved in some way.

CPPC donations appreciated at Downtown Chapel

By Jeanette Dimick

What a great meeting, thank you President Bob and Stephanie Willis for the centerpieces and Mike and Donna and Don and everyone that makes our meetings a fun time.

All the donations were taken to the Downtown Chapel where the homeless folks can gather for warmth and non-judgmental companionship. Every item is appreciated by those that have so much less than we do. Thank You CPPC!

Year-end Treasurer's report reflects good news

CPPC had good news at the January 13, 2015 Board meeting, when Treasurer Dolores Call announced that the club had finished 2014 in the black.

In a period of declining memberships and changes in the hobby nationally, holding our own is good news. We rented the meeting hall, supported a couple of club potlucks, bought name tags, and enjoyed the luxury of a printed and mailed newsletter – and still took in exactly \$168.35 more than we spent all year!

Previous years haven't looked all that good: we finished 2013 approximately \$890 in the red, and spilled red ink to the extent of \$250 in 2012.

CPPC is financially strong, and our reserves are substantial for a club of our size. We don't share specifics in the newsletter (which ends up on the Internet!) but Dolores or any member of the Board is happy to discuss our fiscal condition with members.

The Steering Column, A Message from the President

A hardy Happy New Year to all CPPC members and their families.

This coming year looks like it will be filled with great activities. Jerry Dixon, CPPC activities Chairman and fourteen other members met on the 6th of this month to outline the 2015 activities and tours. There are a number of sponsored tours to places of interest to CPPC members planned. We will start the year off on January 29th with the Tech committee, at Gary Rushers, to prepare items for the Portland Swap Meet, that opens on April 10th. The year will end with the November Annual Meeting and

Meeting Minutes,

all present. They decided that the name will stay; Hot-Dogust Day Cruise In. The group also figured out the design for the t-shirt, poster and handouts.

Their next meeting will be at CCC on January 20, 2015, at 11:30 am to look at the site.

They will meet in a classroom so they can discuss the upcoming summer event! Randy Ealy will send out an email to everyone about the specific location. Everyone is encouraged to attend.

Other: Jeanette Dimick thanked members for contributing with clothes to the downtown chapel. Don't forget, Jeanette will collect all year long.

Stephanie Willis told every family in attendance they could take a floral arrangement home.

50/50: Mary Eccleston won the \$40.00 share of the \$80.00 50/50 collection.

The meeting finished at 7:50 pm and then Don Hufschmid called Bingo numbers for prizes. Everyone had a fun time.

Don Hufschmid reminds CPPC members that he is available to help with DMV paperwork. Give him a call if you have a question about your car's documentation.

Thanksgiving Potluck dinner. Over the last several years, CPPC member attendance at club activities has dwindled with the same few enjoying all the fun. I have enjoyed the pleasure of going to car shows with club members in the past. Hopefully, this year more members will have the opportunity to attend official club function car shows. Re: Article in Octobers Issue on Membership

From the beginning of our club and the very first membership we have always gave a lot of thought to how much modification we should allow a prospective member to belong to our club. After about a month we just opened the doors to all modified and straight Mopars knowing full well that at the National Meets we should be judged only on originality. We have always been blessed by great old and young people, absolutely no difference.

That policy has worked well and

people have been tours, at least eight club tours are planned for this year. Those members who could use a little help getting their project on the road, please feel free to contact the Tech Committee. Lastly, 2015 CPPC membership dues were due as of January 1, 2015.

Happy Touring

to many of us whom have taken on many National Meets recognized how this club got started (in the East) with straight Plymouths.

We now welcome all cars even Ford and Chevrolets, trucks, cars, and hot rods. We are accepted throughout the 48 as a good well organized Plymouth Club open but willing to accept all membership as long as they are good decent guys and gals.

All members are welcomed, young and old, each person is asked to participate. The club speaks for itself, join today.

Our first meeting for Hot Dog-ust Day car show was held on November 18th with 7 members present.

Our design for the logo and shirts was discussed and later decided upon with follow-up emails. Thanks very much to Mike Bade and Robin Will. The registration form was illustrated using the new design. These forms and other advertising will be available in the club booth at the Portland Swap Meet.

Committee chairs were filled with the exception of Housekeeping and Food & Beverage. Anyone interested in these positions please call or email Randy or Pam Ealy at 503-864-8111 or prealy48@gmail.com

These meetings are open to anyone in the club. Please join us on the third Tuesday of every month at 11:30 a.m. in

Activities Committee Presents Plan for 2015

Here's the list of activities CPPC's Board of Directors has planned for 2015. A few of the dates weren't solid, so as more information becomes available, we'll communicate it to members at meetings and via email and post it on CPPC's website.

For some months, we have listed more than one attractive event. It's nice to have choices. An **underline** means that the event will be an official club function. Volunteers are needed to host these events. Hosting generally means circulating a sign-up sheet, driving the route in advance to locate attractive stopping places, choosing a gathering place, and showing up with donuts and coffee (the club reimburses) on the morning of the tour. The host might have other responsibilities, depending on the nature of the tour. It's not difficult, other club members will help you, and it makes you feel good to see the members and their cars on the road as a club.

To refresh your memory, look at our Website PICTURES page, and review the fun we had in 2014.

Tech Committee stays busy with Ruser's '30U coupe

By now, everybody in the club is aware that Gary Ruser has been dealing with a serious vibration problem in his 1930 Plymouth U coupe.

Anybody who has followed him on the road knows it doesn't slow the car down much, but it's agreed it will be a nicer ride when the vibration is calmed. A bad replacement motor mount was part of the problem, but Gary's going to go for balance the entire engine.

The tech committee will meet at Gary's on January 29th to remove the 1930's engine for balancing. On February 28th the committee will meet again to reinstall the engine.

Out & About: Internet brings Plymouth Clubs into 21st Century

By Robin Will

I got pretty excited recently when I discovered that Cascade Pacific Plymouth Club's website had 37 admirers in Finland – folks who spent reasonable time looking at the site, and then came back and looked again!

You'd think that webmasters would become jaded, but I'm still like a kid with a new toy.

So how did we get noticed in Finland? I suspect we can credit that to the national Plymouth Owners' Club strong and repeated suggestion (something like nagging, come to think of it) that we develop a clubwide presence on Facebook.

So Cascade Pacific Plymouth Club has a Facebook page. Several of our members use and obviously enjoy it, and it's handy for members who can't

Ikka Koskenheimo's '51 Plymouth Belvedere, on the street (left) and (right) as it looked when Ikko put it away for the long Finnish winter.

always get to meetings (or those of us who are constantly watching for cars for sale).

Our national Plymouth Owners Club has a Facebook page, as well. That's where you'll meet guys like Ikka Koskenheimo, who is part of what appears to be a robust car-collector scene through Scandinavia and Northern Europe.

Finland has serious winters, and Ikka recently shared pictures of his '51 Belvedere, tucked away in a big plastic bag until spring comes again.

Join the Plymouth pages, and become part of the worldwide community of Plymouth people, by finding the pages with a Facebook search, and asking to join.

Sad News - In Dec Don Osias passed away after heart surgery. We send our thoughts and condolences to Josee and their family.

On Dec 19 Don Hufschmid made it through 11 hours of surgery and received a battery operated "Heart Mate II" or LVAD implant which will replace his heart pumping. It will be a part of him for the rest of his life. We are happy to report that he is doing good and is at home now. He receives home care and physical therapy and has check-ups at the hospital. The Doctors said his recovery was amazing. He is planning to do the car quiz in a few weeks.

Beth Pierce is doing well. Her blood work and scan results are good. She is still working with neuropathy and balance when walking.

Barbara Rice is also doing good and her new knee is working well.

We miss those who cannot attend our meetings due to illness or other problems
