November/December, 2019

Seasons Greetings from Cascade Pacific Plymouth Club

By Robin Will

We thought it would be a good idea to hold the November newsletter until the 2020 Activities Calendar was complete, so we're getting it to you in time to wish you Happy New Year!

It's at times like this that we see how much our club has got going on. We never tried to fit a whole year's activities into one newsletter before, and it looks impressive.

Some of the activities have solid dates, while some are marked "TBA." Some of those activities need arrangements that we can't make in December; others (for instance, our traditional visit to the Tulip Festival,) are best decided on fairly short notice. The most up-to-date calendar will always be on CascadePacificPlymouth.org; we'll update month-by-month as the newsletter goes out; and we'll send email blasts in advance of any club activity.

Some of the activities still need a host. You know what that means: somebody to make advance arrangements if necessary, to drive the route in advance and scout for lunch or potty stops, figure out where we're all going to park once we get there, to circulate the sign-up sheets, and to lead the pack on the day of the event. Contact Jim Wheat to volunteer.

About the advertising in the back: I'm wiping it out and starting fresh. I've got no idea how long some of those ads have been in there. If you want your ad back in the newsletter, drop a note to robin@robinwill.com. Not a problem.

Naturally, while I was thinking that situation over, more ads came in. They're on the front page of this issue, because I filled the back page with calendar. Enjoy.

**NEXT CPPC MEETING IS
TUESDAY, JAN. 28th**

**SHINE UP YOUR CAR
AND JOIN US!**

How to get build records for your 1930-1967 Mopar

There's a new form on the National POC website to order build records from the Chrysler Historical Archives.

It is in the menu under "Files." You will need to print it out, fill out the information and MAIL it to:

FCA Historical Services
CIMS 410-11-21
12501 Chrysler Freeway
Detroit, MI 48288

Follow the link from the CPPC site or visit www.plymouthbulletin.com.

Does somebody have a correct roof rack for a '37?

I am looking for a period correct roof rack for my '37 4 door.

I'm not looking for a new one.

D. J. Freeman: dj38plymouth@aol.com.

Got room for 3 Scouts?

Jeff Miller is looking for "inexpensive" storage for 3 IH Scouts. He wants to build a good one out of three he can buy. Portland westside would be idea. Contact Jeff or Phil Lapin.

Meeting highlights from October

*From minutes taken
by Jean Graham*

Members of the Cascade Pacific Plymouth Club, Inc., met on October 22, 2019, at 7:00 p.m. at the Clackamas Community Club, 15711 SE 90th Avenue, Clackamas, Oregon. Mike Bade, President, presided. Thirty-three members and guests were in attendance.

Jean Graham recorded the minutes.

Bob Westphal led the group in the Flag Presentation.

Mike welcomed members. Mike thanked Phil Lapin and Jean for providing refreshments.

Upon a motion to approve, the minutes of the September 24, 2019, General Membership Meeting were approved as printed in the newsletter.

Mike announced members' birthdays for November. Details are listed in the Newsletter.

Treasurer's Report: Randy Ealy reviewed the Treasurer's Report. The Club is in good financial standing. Any Board member may be asked for details.

Activities: Jerry Dixon reported on upcoming events. A list is included in the Newsletter. The November Club meeting will be the annual Thanksgiving Potluck. The date is set for Monday, November 18 and will start at 6:30.

Club Store: Mike displayed Club jackets and t-shirts available for purchase. Contact Mike Bade for details.

Cruise-In Update: Randy Ealy reported Cruise-In planning meetings will start in January. Proceeds from the Cruise-In will provide scholarships to students in the Automotive Department at Clackamas Community College in Oregon City.

Program/Guest Speaker: Steve Austin of Steve Austin's Automobilia and Great Vacations spoke to the group. His area of interest and activity is in Formula One race cars. Mr. Austin deals in art work, original and print, featuring Formula One cars, Drivers and Crews, which are painted by renowned artists. He brought several prints with him, some of which were signed by the Driver/Crew. Mr. Austin conducts tours in Europe which include world-famous races (Monaco Grand Prix, etc.) and vis-

its to manufacturing facilities such as Ferrari and Mercedes. Mr. Austin's presentation was most interesting. There were lots of questions about Formula 1 cars and racing.

2020 Officer Nominations: Randy Ealy reported a candidate for Secretary is needed.

Member Care: Lorraine Griffey updated everyone on members that had passed away and others recovering from illness and surgeries.

Car Quiz: Question 1: What year did Elvis die? Winner: Logan Beveney

Answer: Elvis died on August 16, 1977, in the upstairs bathroom at Graceland from cardiac arrhythmia, which was caused by drug overdoses.

Question 2: Who did Walter P. Chrysler work for before he bought Maxwell Motor Company and later founded the Chrysler Corporation? No winner. Answer: Chrysler was hired to attempt a turnaround by bankers who foresaw the loss of their investment in Willys-Overland Motor Company in Toledo, Ohio. He demanded, and received, a salary of \$1 million a year for two years, an astonishing amount. Chrysler left Willys in 1921.

Question 3: What was Walt Disney's first animated full length movie? Winner: Judie Byrnes. Answer: Snow White and the Seven Dwarfs first appeared in movie houses in 1938.

Door Prizes: Raffle winners tonight were: Dave Benfield, Terry Byrnes and Susan Yates. Randy Ealy was the winner of the 50/50 drawing.

The meeting was adjourned at 8:20 p.m.

The Steering Column, A Message from the President

Well, the Annual Membership Meeting and Potluck, is done once again.

Thanks to all of you were able to attend. Thank you to Donna Bade helping to organize the potluck details and Stephanie Willis for the amazing holiday centerpieces for the tables. This was a fun time and good way to start the holiday season, sharing good food and company. It seems like we still missed many of you, again this year. We had moved the date to make it easier for all to attend, I hope you and yours are all well, see you next year.

The November Membership Meeting gave me an opportunity to thank all of those who help with the Business of the club working, with a small token of appreciation. The CPPC Board and all committees, including the Swap Meet, Tech, and Cruise-In Committees, all invest countless ours on behalf

of the club for all of you and has been my pleasure to work with all of them as President.

2020 Officer Nominations, were also announced and voted on at the November Membership Meeting. You new officers are as follows: President Phil Lapin, Vice President Jim Wheat, Treasurer Dolores Call, Member at Large Joanne Dixon. Unfortunately, we still do not have anyone for Secretary, after many, many attempts to persuade members to volunteer for this position, which could be split between Board Meetings and Membership Meetings to make it easier.

I wish our incoming President great success for his term. Phil is well versed in the workings of the club as he was the Technical Advisor as well as on almost every committee for the club, attending Board meetings as part of his committee work. Good Luck Phil.

As we begin our 20th year, I hope

each you can find something you can contribute, commit to attending more meetings, participate in club regular activities and contribute our two major fundraisers; the Portland Swap Meet and Down by the Riverside Cruise-In. Soon it will be time to prepare for each of these activities.

As I move to the Chair of the Board, for the next two years, I look forward to serving the membership to the best of my ability in my new capacity. I know that we have quality people on the Board to keep the club moving forward.

Robin is constantly adding articles and pictures to the website, for all to read. When you are out and about take photos of your car and write something up for Robin to put in the newsletter.

This will be my last Steering Column, thanks for all your support.

Help make a difference to our club,
Mike Bade

A note from Randy & Pam Ealy

Greeting and Happy Holidays,

Hope this finds everyone doing well and enjoying the season.

If you are like us, your mailboxes, both email and postal mail, have been full of opportunities for last minute donations to various worthy non profits.

Please remember there is always the automotive program at the college through our CPPC fund. That would help our money raised towards our 2020 car show goal and would be a legitimate non profit donation.

If you are thinking of making an end of year donation for tax purposes, consider giving to the CCC automotive program through our CPPC fund. You will receive write off privileges and the car show goal will benefit as well. Just mail your check to the CCC Foundation, 19600 Molalla Ave, Oregon City, OR 97045. Be sure to include a note directing your donation to the Automotive Dept. through CPPC fund.

Have a Merry Christmas!

Randy & Pam

Board plans Activities for 2020!

Here's the list of Tours CPPC's Board of Directors has planned for 2020. Check the website for additions and changes as more information becomes available. An underline means that the event will be an official club function. Volunteers are needed to host these events. **Hosting** generally means circulating a sign-up sheet, driving the route in advance to locate attractive stopping places, choosing a gathering place, and showing up with donuts and coffee (the club reimburses) on the morning of the tour. The host might have other responsibilities, depending on the nature of the tour. It's not difficult, other club members will help you, and it makes you feel good to see the members and their cars on the road as a club.

January

- January 4, (Saturday) - Albany Swap Meet, Linn Co. Expo Ctr, Albany, OR 503-394-3070

OFF THE HOOK – A tach for your 6-volt Plymouth

By Phil Lapin /

Technical Committee and Vice President

I am going to guess that most of you who own 6 volt positive ground vehicles have occasionally wished that you could have a tachometer on board. This is especially true if you have an overdrive transmission in your ride. I personally have a brand new analog tach that I bought many years ago, but of course it is a 12 volt unit. I didn't try to convert it for my '42 because of not only the 12 volt issue, but also not knowing if it was grounded to the metal housing (incompatible with a positive ground car.)

I recently came across an easy and inexpensive solution while browsing on Amazon. It is a digital tachometer which can be programmed for all kinds of spark plug engines AND it is totally self-contained. (think not only cars, but generators, outboard engines and such!) A large "button" type battery runs it, which can be changed out if necessary. The only wire from it is an inductive lead wire - which is wrapped 5 or 6 turns around any spark plug wire.

I tested out the unit that I bought, and it works beautifully in my 1942 Plymouth. It is small enough that I can mount it inconspicuously under the edge of my dash where I can see the digital display without it being "obnoxious" looking in a vintage car. On top of the tachometer function, it has an hour-meter function to keep track of engine run time. The best thing of all may be the price – a whopping \$23!

The only change I made to it was to add a small length of #14 solid house wiring type wire to the end of the included lead. I found that the standard lead was a real pain to try and wrap tightly around a plug wire and then to somehow secure it. The #14 solid core wire wrapped beautifully and tightly with no problem. Extending the length of the lead wire is not an issue.

There are many of these units on Amazon. The one I purchased is called a "Neoikos Digital Backlit Tach", and it was \$22.99 in December of 2019. A fast search on Amazon will bring this – and likely many others.

Cascade Pacific Plymouth Club Technical Committee 2019

The committee meets the 4th Wednesday of each month, and other times as they are needed, gladly making house calls where necessary.

MAYFLOWERS

The Mayflowers' entire purpose is to get out and visit interesting people and places in the Pacific Northwest. Everyone is welcome to join in.

By Susan Yates

Fifteen members of the Mayflower's toured the Deepwood Museum in Salem on Friday, November 15th, 2019. The home was built about 125 years ago and it has changed ownership only a few times.

The Deepwood Museum and Gardens are now a public park and museum. This 1894 Queen Anne Victorian home is beautiful. It is quite an attraction in the Salem area and is well worth the price of admission, if you have the opportunity to visit. The docents are extremely knowledgeable and had fascinating information about the Port, Bingham and Brown families who lived in the home before the community bought it and began restoring it around 1968.

After the tour we headed over to a place called the Best Little Roadhouse for lunch. Waiting to join us were Dennis and Barbara Rice. The staff was friendly, and we had a great meal and good conversation with our friends.

* * *

On Friday December 13th, 2019 Mayflowers had our Christmas 'get together' at Filberts Farmhouse Kitchen, 21317 HWY 99E, Aurora OR, 97002.

The actual restaurant is located on HWY 99E and is an addition to the original Mohler farmhouse built in 1865.

The Luncheon started at noon in the farmhouse part of the restaurant.

The owners, the Bean family, are involved with the local filbert industry as well as with several award winning restaurants in the area such as Southpark Seafood in Portland and Hudson's Bar and Grill in Vancouver. The menu focuses on fresh products from around the area.

Activities calendar, 2020

BODY SHOP & REPAIRS

Lorraine Griffey is CPPC's Member Care contact. Please keep her updated about members who need cards, letters, e-mails or phone calls. Contact Lorraine at 503-666-2222 or lorrainegriffey@yahoo.com

"Doug Crawford is doing exceptionally well. Long time club member and parts man of choice Doug Crawford is now over 4 months into his recovery from a bone marrow transplant. The docs are impressed, and we know he is doing well by the fact that he is out in his shop working on his vintage Packard convertible!" ... from Phil Lapin

NUTS & BOLTS: Board meeting highlights

*From minutes taken
by Robin Will*

The Board of Directors of Cascade Pacific Plymouth Club met on November 13, 2019 at Bill's Place, 16111 SE 106th, Clackamas, Oregon.

Present were Dolores Call, Randy Ealy, Mike and Donna Bade, Jerry and Joanne Dixon, Robin Will, Gary Rusher, Phil Lapin and Jean Graham. Robin Will kept the minutes.

The meeting was called to order at 12:15PM.

Minutes of the October 13, 2019 Board Meeting were approved.

Treasurer Dolores Call's report was approved as submitted. The club's financial condition is good – ask any Board member for details.

Member at Large: Joanne Dixon wanted to clarify the meeting date for planning next year's activities (December 3 or December 10?), and consensus was we should decide at the membership meeting.

Joanne noted that while other clubs have detailed information presented by the MC at Beaches, CPPC is announced by name only. We should be able to talk about our history, our car show and scholarship donations, at very least. Robin agreed to put a letter together for Beaches.

Joanne requested that the email blast about the November 18 potluck include the information that Bingo prizes would include cash plus one free membership.

Nominating Committee: No one

has stepped up for the position of secretary. There was general discussion about how volunteers might fill in if a secretary is not elected. Someone may step up before or at the November 18 meeting.

Swap Meet donated parts: There's still a potential donation of two 1965 Plymouths in Omak, WA, if the board/tech committee can figure out how to get them to Portland. One is a convertible, original 383, complete. The other is a hardtop with the engine apart and tagged – originally a 383 car, now with a 318 wide block. Gary Rusher got some preliminary quotes from a hauler which weren't encouraging. The question is does their value justify trying to bring them to Portland Swap Meet. Tech Committee will try to get more pictures.

Canadian Swap Meet donation – lots of parts for 1937 Plymouth, currently located on Vancouver Island. Another come-and-get-it situation, across the Canadian border. CPPC has members on Vancouver Island, and we'll be consulting with them about the extent of the collection and what's involved in bringing car parts across the border.

Donna Bade will be responsible for a sign-up sheet for refreshments at next year's meetings.

Mayflowers have an outing planned at Deepwood Museum on November 15. (Story and pictures elsewhere in this newsletter.)

Cruise-In: Randy Ealy has a budget and timeline for the event. Mike

(continued on page 7)

Board minutes, *continued*

6 at Black Bear Diner in Wilsonville, at 10:00AM.

CPPC's 20th Anniversary: Mike Bade pointed out that 2020 is CPPC's 20th anniversary, and we should plan some sort of club-wide celebration. The subject will come up again at the Activities Planning Meeting early in December.

It was noted that with the change of officers for 2020, the incoming president should contact leaders of all standing committees to confirm if they intend to remain in the positions, or if the board should find replacements.

The meeting was adjourned at 1:37PM.
