## Joint Independence cruise-in gets a solid start

By Robin Will

"A good first-year showing," was the consensus following the joint CPPC-Central Lions Cruise-In of August 18, in Independence.

After a week of blistering heat, Saturday morning's clouds and rain showers went a bit too far in the opposite direction. Members of both clubs expected visitors who promised to attend but never showed up, and although organizers hoped for 100 guests or more, the final registration count stuck at 90 cars.

Considering the chancy weather, and the big Chevrolet (Obsolete Fleet) meet being held across the river in Salem, it was an encouraging turnout for a first-ever event. The folks who brought those 90 cars had a great time.

Riverview Park is a wonderful venue for a cruise-in. The cars parked on the grass, and the big shade trees were nice when the sun finally came out.

Both CPPC and the Central Lions Club had hustled on awards and raffle

*The 1915 Kissel Kar, owned by Shirley & Glenn Slack, was the unanimous choice for Best of Show at Independence. The Kissel is not a trailer queen – the Slacks enjoy driving it – so it arrived at this event under its own power, and went home the same way. Judging eschewed questions of category and correctness: judges, exhibitors and spectators voted for what they liked best, and trophies were awarded on that basis.*

donations. The thank-you brochure listed 16 award sponsors, 40 raffle donations, 23 contributors to goodie bags, and a handful of donations that could not be categorized. Raffle activities went on non-stop, and lots of people went home with trophies from this event.

Judging for trophies was a relaxed process. Five members each from CPPC and Central Lions Club rated their favorites from the open field of cars. People with cars in the show had an opportunity to vote on their favorites, and spectators were given ballots as well.

Several CPPC members brought their cars to the show, but Jerry and Joanne Dixon had what appeared to be a family reunion going on, with

four cars at the event. Jerry and Joanne brought their 1967 Plymouth Barracuda Formula S fastback, of course.

Dixon's youngest daughter, Lisa Conner, brought her 1965 Ford Mustang GT.

Jerry and Joanne's oldest daughter, Cindy Norlen and husband Donnie, brought Cindy's 1967 Pontiac Firebird.

Cindy and Donnie's daughter, Kaela Salaz and her husband Jake, brought the 1967 Pontiac LeMans, which originally belonged to Jake's grandfather.

Dixon's grandson, Andrew Norlen, who began his freshman year at the Boston Conservatory on scholarship in musical theater before this newsletter went to press, sang the national anthem and some other selections at the Independence event.

**Membership:** Robin Will put together membership info packets for people to take to car events to promote CPPC.

Robin read a nice letter to the Club from Fletcher Anderson. Next year the picnic will be on June 15 and the theme will be the World War II years, 1943-45.

Robin has already received articles for next month's newsletter, and he thanked the membership for their help.

**Recent Car Club Events:** Jerry Dixon reported on some of the recent club activities. **Roberson's:** Five club cars attended and our club received 6 trophies. **Woodburn Mopar Nationals:** Five club members took their cars to this event and our club members received four trophies. The first Friday in Camas, WA, got a great turn out of cars. Cruisin' the Gut in Vancouver was also a big success. However, it took a long time to get anywhere!

Jerry sent sign up sheets around during the meeting for people to sign up for upcoming events.

**Member Care:** Lorraine Griffey reported that Lee Powell, Patty Brost, and Bruce Kerslake are all here at the meeting and seem to be doing well. Dave Williams is home doing much better. Mindy Benfield said the doctors

have told Dave and Vicki Williams that he will have a full recovery, but will take some time. They still do not want visitors until a later date. Jerry Klinger will have hip surgery in October. He got a cortizone shot and feels much better. Gary Rusher has a bad ankle from uneven walking in the fields. He will be having surgery soon to fuse his ankle. Lorraine Griffey is doing much better.

Joanne Dixon read a note from Re-tha Harden to the club. She has appreciated our friendship from the club and will miss us.

**Board Report:** Mike Bade discussed the upcoming Cruise-In in Independence on August 18. He also mentioned working on a budget to help identify club financial needs.

**Cruise-In at Independence, OR:** Gary Rusher passed a sign-up sheet for people to choose an area to work at the car meet. He was pleased that so many people had signed up. Barbara Rice will be in charge of the Raffle, Mindy and Dave Benfield will be in charge of the 50/50 drawing, and Jeanette Dimick will be in charge of registration.

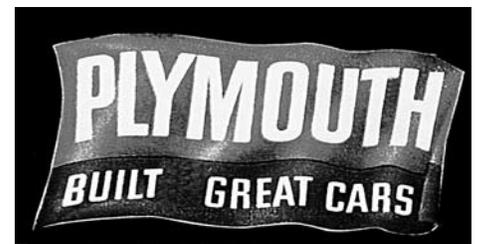

The DJ, Rob, will be from the Columbia Gorge Interpretive Center. He will bring the CGIC sound system.

Robin Will will list all sponsors and donors to the meet in a flyer and on the club website.

Mike showed the members the goodie bags and the two sided t-shirts and polo shirts that will be available tonight after the meeting and at the cruise-in.

**Lions Club:** Lions members present at the meeting shared that there are 48 members in their club in Independence. The club helps people with sight and hearing throughout the world.

# The Steering Column, A Message from the President

I hope you all have survived the 100+ temperatures of the last couple weeks. My P-15 coupe blew number three piston on the way to the last membership meeting. Consequently it will be down until I get the time, money and parts to put her back on the road. I have been working on my Corvair during the cooler hours of the day and the car will be ready to drive as soon as I slip in the engine. Then I can pull the Plymouth head and see just what damage there is.

Hopefully, the weather will be cooler for Hot-Dogust-Night. The club will supply the meat and condiments and members are asked to bring a side dish of some kind such as salad, desert, or chips if they wish. We have a very interesting guest speaker for the September. Rapid Made CEO, Erin Stone and representative Alex Domingo will give us a presentation on 3-D reproduction of parts.

I hope some of you made it to the Brooks Steam-Up/WPC regional meet. Some of us made it to Homer Davenport days. My favorite car was a '60 DeSoto 2dr hardtop. Virginia Dunn passed out flyers for our cruise-in in Independence while there. I heard a report on the Columbia River Concours from I don't remember from who. I understand that they have changed some of their venue to be more amiable to the type of cars we own. There are several events coming up to put on your list that should be really fun. A free BAR-B-QUE and car show for '88 and earlier cars in Aurora on Aug. 24th sponsored by Century Link, August 25th the Flying Eagle Model "A" club hosts the Flying Eagle "A" at America's Tires at 8120 NE Vancouver Plaza in Vancouver, Stop & Smell the Roses at Oregon Gardens is on August 26th, Show & Shine at the Columbia Gorge Interpretive Center on Sept. 1st (this is one we should make a priority, as club members Allen and Sharon Tiffany are helping put this event on), Oregon City

Cruise on September 15th, and Cruise To the Moon at Sisters on the 23rd. Also October 20th is the date for the AMTRAK trip to America's Car Museum in Tacoma(Lemay's)

Speaking of car shows, I just arrived home from the CPPC/Lions Club cruise-in at Independence sporting sore feet and a slight sun burn. There were 90 cars registered and a good time was had by all. The unexpected spotty rain showers were a factor in keeping the numbers low. Quite a few people we expected to be there didn't show. There are several paid entries still not claimed. Even though the numbers weren't as high as we would have liked, I believe the show was a success. I give very hearty thanks to all the CPPC and Lions Club members who helped put this event on. Special thanks go out to Gary

Rusher, who put hundreds of hours in coordinating, planning, and lots of leg work, to Mike and Donna Bade for the great art work and shirts, last and not least all those on the cruise-in committee. We are looking forward to even a bigger and better show next year.

By the way, Gary Rusher will have had surgery on his ankle by the time you read this. We may not see him for a little while as he won't be able put any weight on his foot for about three or four months. I loaned him my knee scooter so he can get around at home without crutches. Feel free to call and send him your wishes. We all wish him well! I personally hope he has the same success that I had with my surgery. It's great to walk with no pain!!

Happy Touring,  
Bob Westphal

Richard and Viki Cerruti captured second place in their vehicle class, and took the special Sponsor's Award with their '64 Plymouth Sport Fury.

Allen and Sharon Tiffany won first place in the Convertible class with their '37 Chrysler convertible.

CPPC members swept the Pre-60's class: Dennis and Barbara Rice took the first place trophy with their '51 Plymouth Belvedere and Tom Fox got the second place award in this class with his '59 Plymouth Fury.

Jerry and Joanne Dixon took home the first place award in the A-Body Stock class with their 67 Plymouth Barracuda Formula S.

## Tech committee addresses crushed fuel tank & fitting

By Chuck Willis

So today's tech meeting..... consisted of Chuck Willis and Lee Powell. We started with Donuts and coffee and then assessed the tank situation. The fuel tank was crushed after the car slipped off the jack and put a hole in the fuel tank causing it to leak. We extracted the fuel tank. Lee had a spare tank and we installed it. We had a few issues with the fitting for the fuel line and Lee is trying to locate a new fitting and we will finish the install on Monday. We finished off the meeting with lunch provided by Stacey Leonard (Lee's daughter). It was terrific!

## Four of five CPPC Plymouths win awards sitting still at MOPAR Nationals

By Dave Benfield

On Sunday, July 22 several CPPC members and a few friends went to the MoPAR Nationals at Woodburn Drag Strip. This is a one day event, hosted this year by MoPAR Muscledcars and the Drag Strip, which consists of an all MoPAR (including Jeep and AMC) car show, a drag race, and a small swap meet. Lloyd, our friend Rob and I were met at the Tualatin K Mart by the Dixons, and several more CPPCers and guests met up on route. Seeing as how the cars were parked more or less as they arrived, and we all got in line together, we were able to park together-except for Lloyd and his friend Rob who came in Lloyd's Chevy Pickup. His Plymouth was not cooperating.

The weather was threatening, but only enough rain actually fell to get me to put the top up on the Valiant. By 8:00 A.M. that micro shower was over and the rest of the day was quite pleasant.

Attending was Mick DeSantis, Dino DeSantis (Mick's son) and friend Josh, Dennis and Barbara Rice, Lloyd Schulz and friend Rob, Jerry and Joanne Dixon, and me. That's a fairly good turn out concerning the somewhat threatening weather earlier and the fact that this has not been a big event for Club participation.

In the car show judging CPPC did very well, with 4 of the five Plymouths coming home with an award.. The Dixons' '67 Barracuda took 1st in A Body Stock, The Rices' '51 2 Dr. HT took Best 50s and Older, Mick's '65 Satellite took 2nd in B Body Stock and his '34 4 Dr. PE took Best Project.

Let's plan on sending an even bigger contingent next year. This is a truly remarkable, unique event with some out standing MoPAR metal to drool over. Chances are the weather will be better and maybe some one will even race!

## MAYFLOWERS

The Mayflowers' entire purpose is to get out and visit interesting people and places in the Pacific Northwest. Everyone is free to join in.

### September 12 – Tualatin River Natl Wildlife Reserve and lunch

By Mindy Benfield

On Wednesday, September 12, the Mayflowers and friends will once again get together for a fun filled outing. We will meet at the Tualatin River National Wildlife Refuge for a self guided tour of the area.

There is a great Wildlife Center which features exhibits, a viewing overlook area, and a nature store (gift shop). A one mile nature trail meanders through a variety of habitats and wildlife viewpoints. One of the view points, a beautiful setting, is a large concrete slab which juts out over the Tualatin River.

While walking on the trails it is advisable to wear sturdy shoes. You might also want to bring binoculars and a camera.

After we explore the Wildlife Refuge, we will have lunch at Roses Restaurant and Bakery in Sherwood.

If you aren't able to sign up at the CPPC General meeting on August 28th, email Mindy Benfield at [Ben1323@aol.com](mailto:Ben1323@aol.com) or call her. Her phone number is in the Roster.

Meet time is 10:00 AM, Wednesday September 12 at: The Tualatin National Wildlife Refuge parking lot 19255 SW Pacific Highway (Hwy 99W) Sherwood OR 97140

Lunch at Rose's (time TBD), 16015 SW Tualatin-Sherwood Rd., Suite 110, Sherwood OR 97140, There will be directions and more information attached to the sign up sheet.

October 10 – Contemporary Craft Museum, Henry's Pub lunch

November 7 – Hoover-Minthorn House in Newberg, lunch

December TBA – lunch at Albertina Kerrs

## BODY SHOP & REPAIRS

Please keep Lorraine Griffey updated about club members who need cards, letters, or phone calls. That's [lorrainegriffey@yahoo.com](mailto:lorrainegriffey@yahoo.com), or 503-666-2222.

Summer finally arrived and with that sunshine some of our member friends feeling better.

Patty Brost says her energy level is back up and feels so much better. Pat's counts are up, which is not good. September 4 he'll find out what treatment he has to deal with next. In the meantime they'll be heading up to Vancouver, BC for a display of era clothing as Patty is a master fashion judge for the Model T Club. It would be fun to hear about it at one of our meetings. We'll miss them at our Hot Dog-ust Night meeting.

Other good news: Lee Powell said that a month ago he was ready to pitch it in, but now he feels great! He had a close encounter with a saw horse last week – the saw horse won. We will look forward to seeing Lee and his daughter at the August meeting.

Gary Rusher is having his long-awaited ankle fusion this week. Once he recovers from that he will have knee replacement surgery. He'll be a new man by Christmas! He was

zipping around on a scooter at the cruise-in which really helped. It was hard to keep track of his lower profile, though.

Virginia Dunn has scheduled knee surgery for October and is feeling optimistic.

It should be a relief to get these joints fixed. Hope both Gary and Virginia have speedy recoveries.

Sharon Tiffany is currently undergoing chemotherapy for leukemia and is doing much better than expected, although her energy level is low. That is a disadvantage with the Columbia Gorge Interpretive Center Show and Shine coming up Labor Day weekend. Please let her or Alan know if you can volunteer to help that Saturday.

Our friends always appreciate our prayers and support. Let's extend our best wishes to those who need it. As always, please let me know if someone needs our help or attention when the road gets rough.
