## Chuck Hamacher's parts collection will be for sale

By Robin Will

Old-time CPPC member Chuck Hamacher died last November.

Older CPPC members will recall the "Member from Seattle," who specialized in 1939 Plymouths.

Bill Call's memories are vivid, because he and Chuck met several times to try to establish a Plymouth Club in Seattle, as well as the one that was pulling together in Portland.

That wasn't destined to happen, but in the process, Chuck and his sidekick Neil Riddle, another Plymouth aficionado, became good friends with Bill Call.

"Chuck had the biggest collection of

NOS 1939 Plymouth parts anywhere, probably in the world," Bill reflects.

Sue Hamacher, Chuck's widow, enjoyed the hobby but doesn't work on the cars, and needs to simplify a bit.

Their sons and daughter, plus old friend Neil Riddle, will be taking the first installment of "stuff" to the AARC Swap Meet in Monroe, Washington in October. Oct. 12th and 13th. They will be at Stalls 604 72-74, and members can call Neil Riddle at 206-285-6534 for information on what he might be bringing.

Sue's email continues: "Besides all the parts that Chuck has there are also three old cars. His '39 Plymouth

convertible (needs a lot of work), another '39 Plymouth convertible that he used mainly for parts, and a '49 Plymouth convertible that also needs a lot of work. Neil is going to help me sell these, so anyone interested in them should call Neil. 206-285-6534."

### *The Winchells, Sept. 14, 2013*

By Cari Catlow

The happily glowing expressions of the bride and groom were contagious on September 14 when Tim and Donna Winchell exchanged their vows.

It was a perfectly joyful day and 20 CPPC friends reveled in the celebration. Tim McCarthy provided the music before and during the ceremony, and at the reception. The Beatles' "Will you still need me, will you still feed me when I'm 64?" was a favorite with the crowd. At the bride and groom's request, Allan and Sharon Tiffany chauffeured them to the reception with the top down on their 1937 Chrysler Convertible Sedan. Mike Bade and his camera captured the miles of smiles.

Thank you, Tim and Donna, for sharing your love and laughter with us, and throwing a great party.

### Independence results are better than last year's

With the last of the bills paid from our August 17 Cruise-In in Independence, Gary Rusher announces that increased attendance more than balanced increased expense, and CPPC will clear \$1600 from the event, after leaving a deposit on the park for next year's show.

### *Don Hufschmid helps with state paperwork*

CPPC member Jeff Miller recently sent this email for inclusion in the newsletter:

"I'd like to thank Don Hufschmid for helping me obtain title for a car that had not previously been titled in Oregon. He was very patient with me, fielding numerous emails and phone calls both before and after purchase. He even came out to my house and did a VIN inspection for me. It is a great relief to have the title in my name and I really appreciate all his help.

Thanks Don!! Jeff Miller"

To which Don responds with the reminder that, as a licensed Oregon dealer, he is fluent in the requirements of Oregon DMV paperwork, and he is always available to help CPPC members take care of license and title issues with the state.

# The Steering Column, A Message from the President

The weather this year has been spectacular for car shows and other events.

There were a number of events available to attend on any given weekend. A number of CPPC members have received awards for their cars at the shows they attended. The summer car show/event season is coming to an end with CPPC featured at the Beaches Wednesday evening cruisin for the third year on September 25th. We hope there will be a good number of member's cars this time as there has been in the past. Jerry

and Joanne Dixon are the hosts. Give them a call and let them know that you plan to attend. The November annual Thanksgiving dinner is also the time that CPPC will elect club officers for the next term of offices. The offices of president, vice president, member at large, and assistant secretary are up for election. If you will remember, the club officer's tour of duty has been extended to a two year term. The Bylaws restrict the president to 2 terms and the others have no term restriction. Sadly many of the older member's health and circumstances preclude them from serving as officers. Also there is a large number of

members who live long distances from the club house and aren't able to participate as they would like. However, the Board of Directors was able to select a list of members that would be able to function as club leaders if they are willing to serve. This list will be presented to the nominating committee for consideration. The CPPC must have people to serve on the Board of Directors in order to survive. So please consider serving on the board. I hope to see you at Beaches!

Happy Touring  
Bob Westphal

## Process begins for nominating 2014 officers

CPPC Bylaws require the Board of Directors to appoint a committee to nominate next year's officers.

The list of nominees must be presented to the membership at the October meeting, and election of officers occurs at the November meeting.

The Board recommended names for the nominating committee at the August meeting.

Any members interested in standing for election as club officers, should contact Bob Westphal.

## Kathryn Berkeley McLean April 6, 1945-August 26, 2013

CPPC member Kathy McLean passed away on August 26, 2013, and services were held on August 31, 2013 at Memorial Lutheran Church in Vancouver, WA.

Kathy married Dale McLean in 1966, and they have two children, Kelly McLean Mudgett of Westminster, CO, and Scott McLean of Vancouver.

Kathy worked as a registered nurse at Emanuel Hospital for 28 years in the Family Birth Center, and she was an active member of Memorial Lutheran Church for 41 years.

In lieu of flowers, the family suggested donations to American Cancer Society or Memorial Lutheran Church.

raffle. She especially wanted to give recognition to Chuck and Stephanie for keeping all of the raffle prizes as Joanne collected them.

Thank you card: Bob Westphal read a thank you card from Jonathan Schumacher for the donation CPPC made to his family in June, through Bill Call.

New Business: The nominating committee for next years officers is Dennis Mowery, Mike Bade and Dave Benfield. Bob mentioned that the POC is also looking for new officers.

Member Care: (Story, page 6) We are especially glad that the Tiffany's are at tonight's meeting. Bill Call is in rehab due to the fall from a motorcycle. He has a severely bruised leg. He will be home on Saturday. Larry Catt is doing

better and is also at tonight's meeting. Les Conner is slowly recovering. Pat and Patty Brost are doing ok but are tired. Dale McClean's wife, Catherine passed away recently with liver cancer and her service will be held this coming Saturday, August 31.

Mayflower Tour: (Story, page 5).

Door Prize: Winners: Vera Rusher, Mindy Benfield and Josee Stewart.

50/50: Donna Jones won the \$47.50 share of the \$95.00 collection.

BINGO: Don Hufschmid called the Bingo numbers for the people that stayed past the meeting. The winners chose prizes that were purchased by the club for the evening.

The meeting was adjourned at 8:46 p.m.

## Cars, friends and hot dogs – CPPC celebrates Hot Dogust Night

Summer winds down, and CPPC once again gathers for a party. Jerry Klinger took his traditional role of hot-dog chef, lots of members brought their cars, Mike Bade was there to record the event for history. After the hot dogs were eaten and the business meeting was completed, club members stuck around for Bingo called by Don Hufschmid.

### Can somebody help this gentleman?

I'm in the process of restoring a 1941 Plymouth Convertible which was acquired in pieces with a lot of rust.

I've run into a road block with figuring out the back seat/floor relationships since everything was apart and no references to fall back on.

My wish is to develop contact with member who has an original 41 Convertible and would be willing to share information regarding 1) Rear flooring (anchor bolts/mounting points/etc) 2) Back Seat relationships and mechanics (I believe they fold down like jump seats?). Ability to provide pictures and to answer questions would be deeply appreciated as I've hit a road block on figuring the above out. John Andersen 210-260-5519 or jnb@gvtc.com

### Volunteer needed to value & market donated materials

Gary Rusher reports that Don Turner donated an engine stand and his collection of eighteen Franklin Mint model cars to CPPC.

The engine stand will be simple: it will be for sale at next year's Swap Meet.

The model cars will be more challenging. They apparently vary in value from \$50 to over \$200. We'll need someone to price these items appropriately, to move them along without giving them away.

The Board would like a volunteer with online sales experience to manage the sale of these items for the club.

Contact Gary Rusher.

## CPPC supports CGIC Show-and-Shine

The club participation trophy went home with somebody else, but the Bade, Tiffany, and Watkins cars won trophies from the August 31 Show & Shine at Columbia Gorge Interpretive Center in Stevenson, WA. CPPC members traditionally show up to help the Tiffanys produce this event every year as a fundraiser for the Interpretive Center.

## Oktoberfest in Mt. Angel is September outing

On Thursday, September 12<sup>th</sup> Randy and Pam Ealy and Dave and Mindy Benfield, along with three friends visited the opening day of Oktoberfest in Mt. Angel. It was a beautiful day and the festivities were in full swing. We enjoyed a leisurely lunch complete with an accordion serenade at the Glockenspiel Restaurant and Pub. Then it was back to walking around and shopping in the booths and stores before finishing up the day.

Be sure to sign up for the October Mayflower outing at the next meeting!

## BODY SHOP & REPAIRS

Please keep Yvonne Westphal updated about club members who need cards, letters, or phone calls. That's ytomblison@aol.com, or 360-334-6037.

It has been 6 months since Les Conner contracted shingles and lost the ability to use his leg. He recently had back surgery for a pinched nerve and came home last Sunday from the rehab. center where he spent 12 days. He is now able to use his walker and takes short strolls several times a day. He is looking forward to the guys coming over to finish the work on his car. Nancy is feeling a little overwhelmed with taking care of everything but things are looking better now.

Pat Brost has been very tired from his medications. The doctor put him on a new drug and hopefully it will help him. He wants to come to the next meeting but will have to see how he feels. Patty is on the go and doing well.

Bill Call is home from the rehab. center. He will be recovering from his motorcycle encounter for a few more months. However, he is up and going to his club meeting. It's hard to keep Bill down.

Bruce Kerslake had his scan and it looked good. The next check-up will be in 4 to 6 months.

Jerry Dixon is still on the mend. The doctor has given him another round of antibiotics for his intestinal problem. He said he is going to hang close to home until it is all cleared up..

News from Bend: Bill Snider is improving from his hip surgery. He has 2 more months of therapy. Geraldine's neck injury has healed but she is still having dizzy spells and back problems too.

It was great to see Sharon & Allen Tiffany, Don Osias & Josee, and Bruce Kerslake at the last meeting and any others I missed..

I have not received any calls or emails about any breakdowns or other problems, so I hope you are all doing well.

## NUTS & BOLTS: Board meeting highlights

*Condensed from minutes taken  
by Robin Will*

The Board of Directors of Cascade Pacific Plymouth Club met at 12:30PM, Tuesday, September 10, 2013, at Bill's Place, 16111 SE 106th, in Clackamas.

Present were: Bob Westphal; Dolores Call; Gary Rusher; Marlo Edman; Mike Bade; Chuck Willis; Robin Will; and guest, Bill Call.

The minutes of the July board meeting were approved.

The treasurer's report was approved as submitted by CPPC Treasurer Dolores Call.

Noted in discussion: CPPC's club finances are not secret, but we dislike printing actual bank balances in newsletters which end up online. Dolores Call announces actual balances, and

prepares paper statements for every membership and board meeting, which any member may review and discuss.

Activities: The August Show and Shine at Columbia Gorge Interpretive Center was well-attended by CPPC members, and although another group went home with the club participation trophy, CPPC members did well in class trophies. Allen and Sharon Tiffany won with their 1928 Plymouth Roadster and the '37 Chrysler convertible. Mike Bade took home a trophy for his yellow '30 coupe. Herb Watkins won Peoples Choice with his Packard woody.

Guest speaker: September's guest speaker will be Bruce Abbott, of Abbot Instrument Restoration, talking about making old instruments new again.

Nominating committee: the nomi-

nating committee had yet to meet as of the Board meeting date. Some time was spent developing a list of potential nominees to refer to the committee.

Cruise-In report: Gary Rusher reported that there were 124 registered cars at this year's Independence cruise-in, up from 90 last year. More than 124 cars were parked on the field, suggesting that some attendees had not paid. CPPC cleared \$1600 from the event, after paying a reserve to hold the park for next year. Last year's total of \$1580-and-change did not consider the \$325 park reserve, so we finished substantially stronger than last year. A follow-up meeting of CPPC and Central Lions Club will be held Wednesday,

## Board highlights, *continued*

October 9, for evaluation and advance planning.

Noting the success of his headlights chart, which continues to draw visitors to the CPPC website and is downloaded in PDF format a two or three dozen times per month, Gary Rusher announced a new project: wheels and hubcaps. Work is underway on a comprehensive list of correct hubcaps and wheels for all Plymouths from 1928 onward, along with their part numbers, plus photos. Gary is likely to be appealing to other CPPC members for assistance as the project gathers speed.

Public service coordinator: Jeanette Dimick approached the Board with the idea of a more organized approach to charitable giving from the club, and as a result, the Board created the position, and named Jeanette as CPPC's Public Service Coordinator. She'll be reporting regularly about opportunities to help in our community.

Tours versus Shows: the best-attended event at CPPC so far this year was the Three-Garage Tour that Gary Rusher hosted on June 29. There was general board agreement that next year's calendar should include more garage tours, and some discussion of places the club might visit.

Tech Committee: An exhaust manifold and pipe have been located for Les Conner's 1946 Plymouth. After Jerry Dixon gets the manifold boiled out and painted, the committee will converge on Les' garage to get everything attached correctly, and Les' Plymouth will be once again road-ready. Next project in line is putting an engine in Herb Watkins' 1955 Plymouth. Chuck Willis revealed the location of an early-bird gathering for car people: 6:30AM at The Hanger in Carver. Members from 5 or 6 different car clubs gather for breakfast.

The meeting was adjourned at 2:30PM.
